THE ROCK OF THE ROCK

## The Performers

### Flexible Comedy

Jonathan Burns was born with the gifts of flexibility, curiosity, and goofiness. He now uses these talents to entertain audiences around the world.

### Ernest The Magnifico

A unique comic character- he could have been a Beverly Hillbilly, he would have been right at home with The Dukes of Hazzard but Ernest The Magnifico is Australia's comic daredevil. Featuring a high-flying stunt car, a heart stopping pogo-stick and a hilarious comic persona, you are guaranteed to laugh and smile as you watch a truly unique slice of the Australian outback.

### The Trulee Odd Show

Paul Maskell and his Trulee Odd Show have amused and amazed audiences around the world with a unique blend of charm, zaniness and amazing feats. From the time he makes his entrance on a tiny motorcycle to his heart stopping finale 15 feet up juggling knives blindfolded you won't want to miss a second.

### Wally

The Wally Show is a seamless blend of high level circus skills and quirky comedy. Wally draws heavily upon his circus school education and addiction to juggling to create unique skills that are a combination of both manipulation, contortion and acrobatics.

### Jo Lalonde Chalk Artist

Join Chalk Artist Jo Lalonde as she brings art to life at The Scotia Centre.

### The Living Statue David Harris

David Harris is the Copper Cowboy and many other characters. Is he real or is he a statue? Bet you'll take a second look!

### The Wandering Brush

Try and catch Dylan Cag & her wandering artistic brush doing face painting and body art for youth and adults throughout the festival at various venue sites.

### Bamboozled

A quartet of talented performers from right here in St. John's, serving up feats of danger, dexterity and magic! A fun and exciting show for all ages that is sure to leave you 'bamboozled' and crying for more. Please be sure to tip your waiter!!!

### The Neighbourhood Strays

The Neighbourhood Strays are a gypsy-style belly-dance troupe located in St. John's. They perform Atseguin (Eastern European Gypsy) belly-dance with influences from American Tribal, Egyptian, Turkish, Middle Eastern, Indian, and other forms of dance.

### 709 Derby Girls

709 Derby Girls are Newfoundland's first and only roller derby league and were established in 2010. These derby darlings rock the rock on 8 wheels and are athletes with an attitude!

### Thom Selectomy

For the faithful Festival Followers, you will no doubt recall that strange combination of squirming and giggling that you enjoyed as you watched this purveyor of stories and stunts. A street raconteur who makes the busiest streets feel like your living room as he invites you to listen up to some of the tales of twenty years on the road while he puts himself through a few extremes of swordsmanship. We liked him so much we had to have him back this year. Plus he was in the middle of a great story when he had to get on the plane and we had to hear how it turned out!

### Portraits For A Cure Fundraiser

Get a professional portrait for a minimum donation of \$3.00 to raise money for The Canadian Cancer Society. Get your 5x7 photo on the spot! Saturday only at the Scotia Center.

### Be Smart. Be Safe. Insurance Bureau of Canada

Put your safety know-how to the test with interactive exhibits, challenging games and live demonstrations. Challenge your safe driving skills behind the wheel of the DUMB Car 2.0. Visit them on Water Street, in the parking lot at the bottom of Solomon's Lane, Saturday and Sunday from noon to 6:00 pm.

## THE SHOW MUST GO ON

Due to inclement weather, the Busker Festival has moved inside to St. John's City Hall for Saturday August 6<sup>th</sup> ONLY, 10 to 5 pm.

On Sunday August 7<sup>th</sup>, if the weather is suitable we will follow our regular schedule using all three of our outside venues. If the weather is poor again on Sunday August 7<sup>th</sup>, we will be inside at The Scotia Centre, from 12 noon to 5 pm! Sorry about the confusion!
